*A*t last Spring is in sight with the promise of rich and varied locally sourced ingredients that make a menu so exciting!

2009 will be a hard year to live up to with the award of our first Michelin Star, which we are delighted to hear has just been renewed, along with our 3rd AA Rosette. My team and I are confident, however, that we can build on this success and are looking forward to another busy and exciting year ahead.

We have a host of varied events taking place throughout the year including the start of our new wine tasting experiences, a stylish fashion show featuring Alexandra Wood, a bespoke tailor from Savile Row and further cookery demonstrations.

In addition we are delighted to announce our involvement with the charity, Help for Heroes, with the launch of an exciting prize draw including the chance to have myself and my team come to your home to cook for you and your friends! We hope you will support us with this worthwhile cause by entering this draw or attending our special "thank you" charity dinner on Saturday 3rd April 2010.

Here's to a Prosperous 2010!
